Weekly Time Commitment

While the great thing about building a Melaleuca business from home is the time
flexibility you can enjoy, like any business it will take an ongoing effort for you to
succeed. This is more so in the beginning when you are new and really need to plug
yourself in to our Team’s system for duplication. Remember our three C’s in the
ABC’s Coachable (willing and ready to learn our methods) Committed (for your
lifestyle to change you must be willing to make some changes) and Consistent (this
is a “Part Time” business not a “Spare Time” business)

We have developed a Chart below to help you think about your goals to share with
your Enroller or Mentor at your 48 Hr Follow-Up Session. Note the following

Some Additional Important Points

Before The Follow-Up Session

Prior to your 48 Hr Follow-Up Strategy Session it is important not to talk to anyone as you may be asked some questions that you are not yet equipped to handle. Part of Our follow-up with you will be to review some Approaches with you. We also have some sample Approaches you can review on this site.

Paper Work: If you have not already done so make sure you have completed and signed your Melaleuca Enrollment forms. There are 2: The Customer Agreement and The Marketing Executive Form. The Customer Agreement sets up your Customer Account and allows you to purchase products direct from Melaleuca with your own Customer ID#. The Marketing Executive Forms Allows Melaleuca to Pay You Commissions. Make sure your name is recorded on this form exactly how you would like to see it appear on your Melaleuca Checks! You can download Melaleuca Enrollment Forms from the link on our site. All paperwork can be faxed back to your Enroller. She will check it and let you know if it is filled out correctly. Most times this paperwork will be faxed to you filled out, and all you need to do is check the information and return it to your enroller.
Online Enrollments: If your enrollment was done online, you have received an email from the Corporate Office. Check the information and type your name on the last page if it is all correct. Hit submit and your enroller will get a confirmation and then set up your website.

Order: When you place your first order over the phone you can use your Social Security # or Phone # for Melaleuca to cross reference your account. When you receive your 1st order there will be an invoice enclosed. On the top left hand corner of your invoice there will appear a Customer ID#. This is your private internal Melaleuca ID# and the # you will need to set up secure online ordering through the Melaleuca web site. It’s easy to do go to www.melaleuca.com and follow the instructions for online ordering. You can however use the web site to browse the shopping list as a guest. Simply go to www.melaleuca.com and sign in using username “shopping” and password “cart”

Your Personalized Women’s Dream Team® Web site

One of the great benefits of joining our Women’s Dream Team® is that you automatically received your own personalized replicated web site when you joined. Your Enroller should have sent this information to you already. Take a few minutes to check your URL website link to make sure it appears with your proper name, email address and phone number. If there are any problems or changes required please forward those changes to the webmaster at Platinum Designs immediately using the internet services link found on the main page.

Completing Your Homework

Now go to the Homework Assignment and 48 Hr Follow-Up Check List to make sure you have completed all the steps necessary to proceed to your Follow-Up Strategy Session with your Enroller or Mentor.
